

UNIFORM POLICY

The goal of the Uniform Policy is to have a common standard for attire that will limit distractions from the educational process, be workable and affordable for parents, and be easily implemented at school. “Uniform “implies that children will be dressed alike. The Uniform Policy is designed to develop school identity and pride, create unity among our students and to maintain a non-competitive dress environment. Parents are expected to maintain the integrity of the Uniform Policy by ensuring that their child is dressed accordingly and follows the policy guidelines. Clothing should fit properly, be clean, free of stains, and in good repair. Recurring uniform violations will be subject to disciplinary action.

Dennis Uniform and Lands’ End are the main sources for uniform blouses, turtlenecks, polo shirts, pants/shorts, skirts, jumpers, skorts, dresses, sweaters, fleece vests and jackets. Check their respective websites for approved styles.

Retriever Spiritwear sweatshirts, vests, and fleece jackets are available through the school website under the Uniform tab from Kadmark.

Uniforms can also be obtained through the Uniform Exchange maintained by the school. Families donate clean, gently used uniforms and then they are available, at no cost, to other students.
